Gentlemen:

This refers to previous correspondence regarding the handling of claims and grievances. As information, the following are changes in individuals assigned to the following positions, effective immediately:

J. D. Bryant replacing E. G. Cody
Piedmont Division Engineer

E. F. Boyle, Jr. replacing D. C. McKibben
Chief Engineer – LM East

The above position's responsibilities, headquarters' address, and jurisdiction has not changed with respect to the claims and grievances handling procedures; only the individual assigned to the position.

Please note that no other change in the claims and grievances handling procedures has occurred. If you have any questions as to the manner of appeal in any specific case, they should be directed to Mr. R. H. Behler at (404) 529-1405.

Very truly yours,

D. L. Kerby
